**Re: EA Amendment - Multi Klient Invest AS Southern Grand Banks Seismic Program, 2014 to 2018**

---

Multi Klient Invest AS (MKI) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an amendment, *"Amendment to the Environmental Assessment of MKI's Southern Grand Banks Seismic Program, 2014-2018"* (January 2015), to the environmental assessment (EA) report and addendum for the 2 Dimensional seismic program for the Southern Grand Banks in the Newfoundland and Labrador Offshore. The enclosed report is an amendment to the March 2014 *"Environmental Assessment of MKI Southern Grand Banks Seismic Program, 2014-2018"* and the May 2014 *"Environmental Assessment of MKI Southern Grand Banks Seismic Program, 2014-2018 Addendum."* The scope for the original EA does not cover 3 dimensional seismic activities.

The C-NLOPB requests that you review the enclosed EA Amendment and provide comments no later than **February 3, 2015**. If you have any questions regarding the EA Report, you may contact me (709-778-1431 or dhicks@cnlopb.ca).

Yours truly,
