RE: Multi Klient Invest AS Southern Grand Banks Seismic Program, 2014-2018

On March 31, 2016, Multi Klient Invest AS (MKI) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an amendment (in letter format), *"Amendment of Multi Klient Invest AS Southern Grand Banks Seismic Program 2014-2018 Environmental Assessment"* (March 31, 2016), to the environmental assessment (EA) report and addendum for the seismic program for the Southern Grand Banks in the Newfoundland and Labrador Offshore. The enclosed letter is an amendment to the March 2014 *"Environmental Assessment of MKI Southern Grand Banks Seismic Program 2014-2018"* and the July 14, 2014 Revised EA Addendum, *"Environmental Assessment of MKI Southern Grand Banks Seismic Program 2014-2018 Addendum."* The original EA contains a commitment to utilize Inuit personnel as additional Fisheries Liaison Officers and Marine Mammal Observers.

The C-NLOPB requests that you review the enclosed EA Amendment and provide comments no later than **April 18, 2016**. If no response is received from you by the date indicated above, the C-NLOPB will assume that you have no comments.

If you have any questions regarding the EA Amendment, you may contact me (709-778-1431 or dhicks@cnlopb.ca).

Yours truly,

Original signed by Darren Hicks
