Dear Mr. Richard:

Please find appended the Terms of Reference for the Independent Review of the Corridor Resources Inc.'s Exploration License (EL) in the Gulf of St. Lawrence.

As Independent Reviewer, your work will include a consideration of comments from the public relating to potential environmental effects of the proposed drilling of a single exploration well on the proponent's exploration license EL 1105 in the Gulf of St. Lawrence in consideration of the Scoping Document dated August 17, 2011.

Your organizational skills, ability in facilitating public input, and independence will be great assets for this work.

I wish you well in your efforts and look forward to your report.

Regards,

Max Ruelokke, P. Eng.
Chairman & CEO
