

WHITE ROSE DEVELOPMENT PLAN AMENDMENT APPLICATION

**CANADA-NEWFOUNDLAND AND LABRADOR OFFSHORE
PETROLEUM BOARD**

DECISION REPORT 2013.04

The Canada-Newfoundland and Labrador Offshore Petroleum Board (the Board) met on April 26, 2013 to consider the following:

- White Rose Development Plan Amendment – South White Rose Extension Tie-back (January 15, 2013); and
- Concept Safety Assessment of South White Rose Extension Project.

The Board was guided in its deliberation by a staff analysis of the Application.

The Board hereby approves the White Rose Development Plan amendment (South White Rose Extension Tie-back) subject to the following conditions:

2013.04.01 The Proponent must submit a report acceptable to the Board assessing the sealing nature of the fault separating the East and West Fault blocks one year after commencement of gas injection into the southern Terrace.

2013.04.02 Should the period of gas injection prior to oil production in the SWRX Pool extend beyond 18 months, the Proponent must submit a report acceptable to the Board detailing the activities to date and future plans for gas injection in the SWRX Pool.
