Re: Nexen Eastern Newfoundland Offshore Geophysical, Geochemical, Environmental and Geotechnical Program, 2018 - 2027 Environmental Assessment Report Addendum

On March 22, 2018, Nexen Energy ULC (Nexen) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an addendum, *Nexen Energy ULC Eastern Newfoundland Offshore Geophysical, Geochemical, Environmental and Geotechnical Program (2018 – 2027) Environmental Assessment Addendum*, to the environmental assessment (EA) report. The addendum addresses review comments forwarded to Nexen on October 12, 2017 that the C-NLOPB deemed to be within the scope of the environmental assessment.

Please review the attached addendum to determine if the responses provided by Nexen respecting your comments have been addressed satisfactorily. Your response should be forwarded no later than **April 12, 2018**. If no comments are received, the C-NLOPB will assume no comments will be submitted.

If you have any questions on the attached, or wish to discuss the above, please contact Darren Hicks at (709) 778-1431 or via email at dhicks@cnlopb.ca

Yours truly,
