**Re: EA Amendment - Statoil Canada Limited Exploration/Appraisal/Delineation Drilling
Program CEAR # 07-01-32083**

On December 15, 2016, Statoil Canada Ltd. (Statoil) submitted, to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), a document with responses to comments forwarded to Statoil on October 3, 2016 that the C-NLOPB deemed to be within the scope of the amendment to the environmental assessment. A revised EA amendment (Statoil December 2016) was also submitted including environmental surveys not in the original EA amendment (Statoil June 2016), see Sections 2.3.5 and 4.2.5.

For departments and agencies that commented on the original EA amendment, please review the attached responses to comments and revised EA amendment to determine if the responses provided by Statoil respecting your comments have been addressed satisfactorily.

All departments and agencies on the distribution list are asked to review the revised amendment concerning the proposed inclusion of environmental surveys. All responses should be forwarded no later than **January 10, 2017**. If no comments are received, the C-NLOPB will assume no comments will be submitted.

If you have any questions on the attached, or wish to discuss the above, please contact Darren Hicks at (709) 778-1431 or via email at dhicks@cnlopb.ca

Yours truly,
