**Re: EA Amendment - Statoil Canada Limited Exploration/Appraisal/Delineation Drilling Program CEAR # 07-01-32083**

---

Statoil Canada Ltd. (Statoil) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an amendment "*Amendment to the Environmental Assessment of StatoilHydro Canada Ltd. Exploration and Appraisal/Delineation Drilling Program for Offshore Newfoundland, 2008-2016: 2015 Geotechnical Program*" (June 2015) to the environmental assessment (EA) report for the exploration and delineation well drilling program in the Newfoundland and Labrador Offshore. The enclosed report is an amendment to the May 2008 "*Environmental Assessment of StatoilHydro Canada Ltd. Exploration and Appraisal/Delineation Drilling Program for Offshore Newfoundland, 2008-2016*". The scope for the original EA does not cover the geotechnical activity which Statoil has proposed to execute in 2015.

The C-NLOPB requests that you review the enclosed EA Amendment and provide comments no later than **July 3, 2015**. If no reply is received by this date then the C-NLOPB will assume that you have no comments. If you have any questions regarding the EA Amendment, you may contact me (709-778-1431 or [dhicks@cnlopb.ca](mailto:dhicks@cnlopb.ca))

Yours truly,
