Reference: Response to Comments from Department of Fisheries and Oceans - 2016 Drilling EA Amendment

Dear Mr. Hicks:

Statoil Canada Ltd. provides the following information in response to comments forwarded by the C-NLOPB on February 2, 2017 regarding the 2016 amendment to the 2008 "Environmental Assessment of StatoilHydro Canada Ltd. Exploration & Appraisal/Delineation Drilling Program for Offshore Newfoundland, 2008-2016"

The attached "February 13, 2017 Statoil Canada Ltd. Response to Review Comments – 2016 EA Amendment" outlines Statoil's response to the comments received from the Department of Fisheries and Oceans. The EA amendment has also been revised to include a revised figure (see response to Comment #2) and is enclosed.

For enquiries related to the attached responses and the enclosed revised environmental assessment amendment, please contact [REDACTED]

Yours truly,

[REDACTED]
Operations Manager
