**Question:** It appears in Appendix 2, that the number of the Nvidia Accelerator Cards has mismatched counts on the factory Integrated option:

Line 3.7 R9S37C - NVIDIA A40 48GB PCIe Non-CEC Accelerator for HPE shows a quantity of 4

However in line 3.8 - R9S37C#0D1 the Integrated option for them shows a quantity of 8.

Which is the required count of cards?

**Answer:** Line 3.7 of Appendix F – Solution 2 should have a quantity of 8.
