

Chief Safety Officer Decision (Regulatory Clarification)

Date: March 26, 2012

C-NLOPB Reference: 2011-RQ-0019

Applicant: Transocean Canada Drilling Services Ltd.

Applicant Reference: N/A

Installation Name: MODU GSF Grand Banks

Authority: *Canada-Newfoundland Atlantic Accord Implementation Act, subsection 151(1)*
Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act, subsection 146(1)

Regulation: *Section 22 of the Newfoundland Offshore Petroleum Installations Regulations*

Decision:

We confirm that the continued use of one PROD boom to service two lifeboats on the MODU GSF Grand Banks meets regulatory requirements pursuant to the Atlantic Accord Implementation Acts provided the lifeboats are not launched simultaneously.

Chief Safety Officer
