Hi Darren,

Thanks for this. The operator's replies were satisfactory. On comment #1 – open communication is greatly appreciated to ensure both activities coincide during busy harvesting times.

Good morning: the C-NLOPB has received an EA Addendum for the above mentioned program. Please review the attached EA Addendum and determine if the responses to your comments on the original EA report are satisfactory. The C-NLOPB requests that you reply by close of business August 23, 2016. If no reply is provided then the C-NLOPB will assume no further comments will be submitted.

Further details on this project may be found at <http://www.cnlopb.ca/assessments/seitel.php>

If you have any questions please feel free to contact us.

Regards
Darren
