Dear Mr. Hicks,

In response to your letter on December 9th in which you solicited feedback on Seitel Canada Ltd's revised EA Addendum, the Nunatsiavut Government would like to conclude its participation in this review by stating that it is not satisfied with how our concerns and comments were taken into consideration by the Board and would like to state our dissatisfaction with the Board's willingness to take those considerations into account. Furthermore, a follow-up letter in regards to these issues and other outstanding concerns over the Board's practices will be sent in the near future.

Thank you for your time,

Director of Non-Renewable Resources
