**RE: Seitel Canada's East Coast Offshore Seismic Program 2016-2025, Environmental Assessment – Revised Addendum**

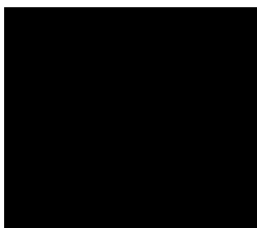

Dear Ms. Young,

Seitel Canada Ltd, with the assistance of LGL Limited, has completed the preparation of our project's revised EA Addendum and is pleased to submit it today for your review.

LGL Limited remains the primary consultant with respect to immediate questions or clarifications regarding this EA Addendum. LGL's John Christian shall act as the primary conduit for these matters.

While we kindly request inquiries related to the revised EA Addendum be directed to LGL, at no time should you hesitate to contact me for further information.

Sincerely,

Vice President, Business Development  
Seitel Canada Ltd.
