Dear Ms. Young,

**RE: Seitel Canada's East Coast Offshore Seismic Program 2016-2025,
Environmental Assessment**

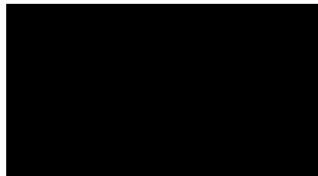

Seitel Canada Ltd, with the assistance of our agent, LGL Limited, has completed compiling our project's Environmental Assessment (EA) and are pleased to submit it today for your review.

LGL Limited shall remain the primary agent with respect to immediate questions or clarifications regarding our EA. LGL's John Christian shall act as the primary conduit for these matters.

Today's submission includes eighteen (18) paper copies of the EA itself as well as twenty (20) in electronic format on accompanying digital media. Please note that one CD contains the word and PDF versions of the EA for C-NLOPB.

While we kindly request inquiries related to this Environmental Assessment be directed to LGL Limited, at no time should you hesitate to contact me for further information.

Sincerely,

Eric Ruygrok
