Dear Mr. Hicks

Subject: Environmental Assessment of Statoil's Geophysical Program for Jeanne d'Arc and Central Ridge/Flemish Pass Basins, 2011-2019

As requested, Fisheries and Oceans Canada (DFO) has completed a review of the document entitled "Statoil Canada Ltd. - East Coast Operations Newfoundland & Labrador Offshore Area Environmental Assessment Review for 2014 Seismic Survey Operations" dated March 2014 and offer the following comments:

Appendix 1

- the generic listing for Atlantic cod may be removed from the Table leaving Atlantic cod (Newfoundland & Labrador population) as is
- There are two (2) DU's of White Hake
- Humpback Whale - should specify as Atlantic population

Thank you for providing DFO the opportunity to comment on this document. Should you have any questions or comments regarding the above, you can contact [REDACTED] by e-mail (darrin.sooley@dfo-mpo.gc.ca).
