Subject: RE: TGS NOPEC Geophysical Company ASA and Multi Klient Invest AS Offshore Labrador Seafloor and Seabed Sampling Program, Newfoundland and Labrador Offshore Area, 2014-2019

Hello all: please see the attached project description for a proposed exploration program for the Newfoundland and Labrador Offshore Area, as proposed by TGS-NOPEC ASA (TGS) and Multi Klient Invest AS (MKI). I have also attached a DRAFT scoping document for your review and input as well as our letter requesting input. Please provide your response no later than February 26, 2014. If no reply is received by this date then it will be assumed that you have no comments on the proposed project.

If you have any questions please feel free to contact us.

Regards

Environmental Analyst
