Dear Mr. Hicks:

**Re: TGS NOPEC Geophysical Company ASA and Multi Client Invest AS's Offshore Labrador Seafloor and Seabed Sampling Program, 2014-2019 Environmental Assessment**

---

Thank you for your correspondence of April 9, 2014 and the recently submitted filing by TGS concerning the above noted sampling program. We have reviewed the document and have no comment regarding same.

We look forward to receiving continued updates on the proposed sampling program.

Best Regards,

Environmental Compliance Specialist
