

Federal Coordination Regulations  
Section 6 - Record of Determination

Project Title: Jeanne d'Arc Basin Seismic Program, 2012-2015  
Location: Jeanne d'Arc Basin  
Proposer: Western Geo Canada

FEDERAL AUTHORITY: Health Canada  
NAME & TITLE: A. Dennis Regional EIA Coordinator  
SIGNATURE: [Signature] DATE: Dec 6/11

In accordance with the Section 6 of the Federal Coordination Regulations, under the *Canadian Environmental Assessment Act* (CEAA), the Federal Authority identified above, has reviewed the project description and advises you of the following:

- (a) It is likely to require an environmental assessment of the project
- Trigger:  Proposer  Funding   
 Lead Transfer  Law List

Law List Trigger: \_\_\_\_\_

- (b) it is not likely to require an environmental assessment of the project
- (c) it is in possession of specialist or expert information or knowledge that is necessary to conduct the environmental assessment of the project
- OR
- (d) additional information is required to make a determination

If the answer to (c) is "yes", the Regulations require that the additional information be requested within 10 days after making the determination.

Identify the contact person for the environmental assessment, if different from above.
