RE: WesternGeco's Eastern Newfoundland Offshore Seismic Program 2015-2024, Environmental Assessment

Dear Ms. Young:

WesternGeco Canada has contract LGL Limited of St. John's, NL to act on our behalf in the preparation of our environmental assessment documentation in support of our proposed seismic program offshore Eastern Newfoundland.

LGL Limited will be submitting the Environmental Assessment on our behalf and will be the contact should you have any further questions regarding the submitted documentation.

Please find enclosed ten (10) hard copies of the EA and 10 CDs. Please note one (1) CD contains the report in word and pdf formats and nine (9) CDs contain only the pdf format.

Mr. John Christian will be the main contact for LGL Limited, however should you have any additional questions for WesternGeco please feel free to contact me directly at (902) 481-6427 at any time.

Kindest Regards,
