Dear Ms. Lee:

**Re: WesternGeco Canada Eastern Newfoundland Offshore Seismic Program, 2015 to 2024
Environmental Assessment Report Addendum**

On January 6, 2016, WesternGeco Canada (WesternGeco) submitted to the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB) an addendum to the environmental assessment (EA) report. The addendum addresses review comments forwarded to WesternGeco on July 8, 2015 that the C-NLOPB deemed to be within the scope of the environmental assessment.

Please review the attached addendum to determine if the responses provided by WesternGeco respecting your department's comments have been addressed satisfactorily. Your response should be forwarded no later than **January 21, 2016**. If no comments are received, the C-NLOPB will assume no comments will be submitted.

If you have any questions on the attached, or wish to discuss the above, please contact Darren Hicks at (709) 778-1431 or via email at dhicks@cnlopb.ca

Yours truly,
