**RE: WesternGeco's Eastern Newfoundland Offshore Seismic Program 2015-2024,
Environmental Assessment Addendum**

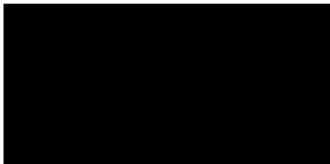

Dear Ms. Young,

WesternGeco Canada has contracted LGL Limited of St. John's, NL to act on our behalf in the preparation of our environmental assessment documentation in support of our proposed seismic program offshore Eastern Newfoundland.

LGL Limited will be submitting the Environmental Assessment Addendum on our behalf and will be the contact should you have any further questions regarding the submitted documentation.

[REDACTED] will be the main contact for LGL Limited. However, should you have any additional questions for WesternGeco, please feel free to contact me directly [REDACTED] at any time.

Kindest Regards,

WesternGeco Canada
