RE: Project Description for WesternGeco's Proposed Southeastern Newfoundland Offshore Seismic Program, 2015 – 2024

Dear Ms. Young,

WesternGeco Canada has contracted LGL Limited of St. John's, NL to act on our behalf in the preparation of our environmental assessment documentation in support of our proposed seismic program offshore Southeastern Newfoundland.

LGL Limited will be submitting the Project Description on our behalf and will be the contact should you have any further questions regarding the submitted documentation.

Mr. John Christian will be the main contact for LGL Limited, however should you have any additional questions for WesternGeco please feel free to contact me directly [REDACTED] at any time.

Kindest regards,

[REDACTED]

WesternGeco Canada
