

**Federal Coordination Regulations
Section 6 - Record Of Determination**

Project Title: White Rose Extension Project
Location: Argentia, Placentia Bay NL & Jeanne d'Arc Basin, Grand Banks
Proponent: Husky Oil Operations Limited
FEDERAL AUTHORITY: Fisheries and Oceans, Canada
NAME & TITLE: Lisa Noble, EA Analyst
SIGNATURE: _____ **DATE:** Jun 20/12

In accordance with the Section 6 of the Federal Coordination Regulations, under the *Canadian Environmental Assessment Act* (CEAA), the Federal Authority identified above, has reviewed the project description and advises you of the following:

(a) it is **likely** to require an environmental assessment of the project

Trigger Proponent Funding
 Land Transfer Law List

Law List Trigger: _____

(b) it is **not likely** to require an environmental assessment of the project

(c) it is **in possession** of specialist or expert information or knowledge that is necessary to conduct the environmental assessment of the project

OR

(d) additional information is required to make a determination

More detailed information is required on fish and fish habitat within the project area associated with the following project components: disposal area, perimeter of graving dock and tow-out route. This information will be necessary in order for DFO to finalize its HADD determination.

If the answer to (d) is "yes", the Regulations require that the additional information be requested within 10 days after making the determination.

Identify the contact person for the environmental assessment, if different from above.
