Please be advised that The Environmental Assessment Regulations, 2003, Section 44(3)(a) define your project as an undertaking requiring environmental review pursuant to the Environmental Protection Act, SNL 2002, cE-14.2.

You are therefore required to register your undertaking with this Department. The attached booklet entitled Environmental Assessment: A Guide to the Process provides the registration format and other information to assist you. It is recommended that a draft of the registration document be submitted for review. Also enclosed for your guidance is a draft permit listing to be consulted when completing your registration document.

Please be aware that under provisions of the Act, undertakings may not proceed and other government agencies may not issue any relevant authorizations until a decision is rendered by the Minister. A decision by the Minister will be provided to you within 45 days following receipt of your registration.

If you have any questions, please contact Paul Carter at (709) 729-0188, toll free at 1-800-563-6181 or email at pcarter@gov.nl.ca. Our staff is always ready to assist you.

Sincerely,

Bas Cleary
Director
Environmental Assessment Division
