Doc. No.: HUS-CPB-WH-LTR-00009

Attention: Mr. Dave Burley
Environmental Affairs Manager

Dear Mr. Burley:

Subject: White Rose Extension Project – Response to Comments on Environmental Assessment and Addendum (CEAR, #12-01-68249; Registration #1665)

In response to a request from the Canada-Newfoundland Offshore Petroleum Board (C-NLOPB) please find enclosed an electronic copy of Husky's consolidated response to the White Rose Extension Project (WREP) Environmental Assessment (EA) and Addendum.

This report includes a response to comments from the C-LNOPB, provincial and federal agencies on the WREP EA and Addendum, including the following appendices:

- The Final White Rose Extension Project Diversity Plan (June 27, 2013)
- Onshore/Nearshore Construction Environmental Protection Plan - White Rose Extension Project - Argentia Site - Revised
- Baseline Hydrogeological Characterization Concrete Gravity Structure Graving Dock Site, Argentia, NL

If you have any questions regarding the enclosed, please contact David Pinsent at 724-3997.

Yours sincerely,

HUSKY OIL OPERATIONS LIMITED

Don Williams,
Health, Safety, Environment and Quality Lead, Projects
