Attachments: 130524 Partial comments on WREP EA Addendum.pdf

Please see the attached file. It contains partial comments on the WREP. The attached is not to be interpreted as all of the outstanding comments on the project as it does NOT contain comments from the Government of Newfoundland and Labrador. The public comment period with the province does not close until the end of business May 29, 2013.

Once the C-NLOPB has received all remaining comments, the attached file will be updated and transmitted to yourself for a consolidated response to all of the comments.

If you have any questions please feel free to contact us.

Cheers
Darren
