Subject: IN FAVOUR OF GULF EXPLORATION

i AM WRITING THIS BECAUSE OF SEVERAL NEGATIVE ARTICLES REGARDING  
EXPLORATION AND DRILLING IN THE GULF OF ST LAWRENCE  
IN THE CHARLOTTETOWN AND EASTERN GRAPHIC NEWSPAPERS.

I own waterfront property in Eastern PEI ( unlike most of the people who been asked  
to " Flood  
" you with letters by Ellie Reddin ) and would be affected  
by any drilling accident...However I am in full support of SAFE drilling and  
hopefully future  
production in the Gulf.

I feel the future production of oil and gas will be the best way to save the PEI  
economy.

Blake Ascah, Lower Montague PEI
