Re: Comments on the Western Newfoundland & Labrador Offshore Area Strategic Environmental Assessment Update

I am writing on behalf of Encanex Environmental Oil and Gas Corp., which is a Newfoundland & Labrador based company servicing the oil industry in Atlantic Canada.

Encanex supports the sustainable development of our natural resources. We support the regulatory regime as it is established under the *Canada-Newfoundland Atlantic Accord Implementation (Newfoundland) Act* and we support responsible exploration and development. The economic benefits from this activity are essential to our future wellbeing.

Sincerely,

Encanex Environmental Oil & Gas Corp

Alton Payne

President
