

## WHITE ROSE EXTENSION PUBLIC REVIEW REPORT: ADDENDUM / NOTE TO READERS, September 29, 2014

Two website participants requested that their questions be kept confidential. The questions pertained to diversity and hiring preference, and recreational facilities on the Wellhead Platform. Both participants received answers to their questions from Husky Energy. The C-NLOPB is aware of the questions and the answers provided and will consider these matters in its review of the project application.
